10 Years in Arkansas

It all began in **November of 2000**. Wow! It's been a honor serving you and representing **eInstruction** here in Arkansas for the past 10 years. We thank you and we're looking forward to many more years. To celebrate our 10th anniversary, you can save **10% off** the education list price on **CPSPulse™** until the end of the year.

Classroom Performance System (CPS)

eInstruction **pioneered** and remains the **world-leader** in student response pad systems. The **CPSPulse™** is the newest generation of the **Classroom Performance System (CPS)** used by millions of students and teachers in more than 400,000 classrooms.

Contact us for a free, no-obligation **demonstration** and see how **CPS** and other **eInstruction** classroom solutions work together to make teaching more effective and learning outcomes more successful.
